ONE DAY NATIONAL LEVEL HANDS-ON WORKSHOP

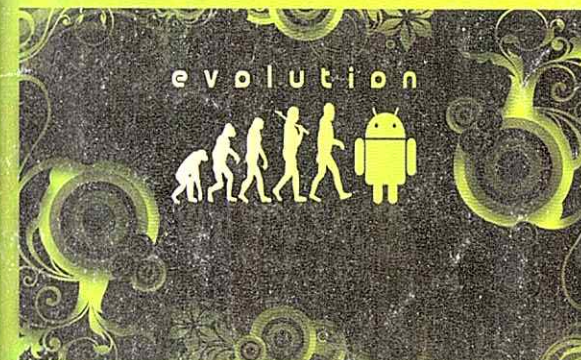

on

ANDROID APPLICATION DEVELOPMENT

September 26th 2014

TECH INNOVATORS

-Introducing new ideas

Organized by

Department of Information Technology
KONGUNADU ARTS AND SCIENCE
COLLEGE

(Autonomous)

[Re-accredited by NAAC with 'A' Grade 3.80 CGPA out of 4(95%)]
[College with Potential for Excellence (UGC) and Star College(DBT)]
G.N. Mills Post,Coimbatore-641029,Tamil Nadu,India.

Host Institution Prologue

Coimbatore, "The Gold of KONGUNADU" is an ever growing industrial city. The long felt need for one more college to meet the educational need of this city was fulfilled on 12th August 1973, the day of inauguration of this College. The University Grants Commission, New Delhi, conferred the Autonomous status to our college in the academic year 2004 - 05. Our college has been Re-accredited by NAAC with 'A' Grade Status (CGPA 3.80 out of 4) and ranked as No.1 College among 3492 accredited colleges in India so far. University Grants Commission (UGC) selected 50 colleges all over India under College with Potential for Excellence (CPE) scheme among 31,500 colleges, ours is one among them. The Autonomy review committee visited our college and granted extension of Autonomy from 2011 - 2017. Another feather in the cap of Kongunadu Arts And Science College is the DBT, Government of India has recommended our College for support under strengthening component of the "STAR COLLEGE" scheme. The golden history of our college has been recorded with 41 years of excellence in man-making education and this temple of learning has been striving untiringly for the growth of Head, Hand and Heart of its devotees.

Department Recitation

The Department B.Sc Information Technology was introduced in 2008. The Department encourages the students to face the competitive world with great challenges. Our Department mainly focuses on enlightening the students by updating them with the knowledge of latest IT trends. Through our Department Association "TECH INNOVATORS" we conduct Competitions "TECH BLOOMS" Intra fest, Guest Lectures Workshops, Seminars and Conference. The main objective of our Department is to provide quality education, by keeping pace with rapidly changing technologies and to create technical manpower of global standards with capabilities of accepting new challenges in the field of Information Technology.

Workshop Objectives

Android is an open source and free mobile platform based on linux kernel. Android is proliferating rapidly due to open, fast and easy development of applications. The workshop provides an idea about Android Mobile Platform, Application development demonstrations, Business & Career Opportunities of Android Mobile platform for beginners. The primary goal of this workshop is to impart participants with an in-depth understanding of fundamentals and advanced knowledge in the areas of Android, to enable them to progress rapidly in their research.

Content of the workshop

Introduction to Android

Android Architecture

PC Requirements for
Android Application
Development

Building Up Your First App

Working with the JAVA &
XML

Activities, Intents & GUI
Elements

Codeathon - Idea Forming
Design & Wireframing
(Lab session)
